

Dear Patients,

My billing is paperless, with no paper bills or envelopes being sent. Please mail your payment based upon the following schedule:

\$25 per day for 1-3 treatments (office or local home visits \$40 each);

\$20 per day for 4 or more treatments;

\$300 maximum charge per month.

For example:

3 days of treatment equals \$75 ($\$25 \times 3 \text{ days} = \75);

4 days of treatment equals \$80 ($\$20 \times 4 \text{ days} = \80);

16 days of treatment equals \$300 ($\$20 \times 16 \text{ days} = \320 reduced to \$300 maximum).

If you would like to pay by credit card, PayPal is an easy method. Go to www.paypal.com and in the upper right click on Sign Up to set up a PayPal account. Once you have an account, enter your password, log in, and click *Send Money*. Or if you prefer, I will handle the entire credit card processing for you.

Please note, whatever you send is always considered payment in full, and don't ever be concerned about making partial payments over time. Some pay less and others pay more, but all our abundance is from God as hymn 65 states, "...grace to grace abundantly doth from His fullness flow."

Blessings,
